# FEDERATION NEWS

Roselands & Stafford  
Federation

Friday 12<sup>th</sup> January 2018

**Federation Headteacher:** Ms Mandy Stewart

**Heads of School:** Mrs Carol Wallis and Mr Mike Walton

## Message from the Headteacher:

I hope you all had a lovely Christmas and a peaceful New Year and have returned feeling relaxed and well rested.

In response to feedback from parents we will be streamlining our newsletter to make it easier to find important information and making it easier to read. From now on we will be putting more information on the Federation website and will include links to this in the newsletter. We will also use the Facebook page to share as much information and news as possible.

We have just finished our first week of teaching Destination Reader at Stafford and I have been amazed by the way the children have been able to adapt their learning behaviours to discuss, question, analyse and make predictions about a text. Every child I have spoken to has been really positive about Destination Reader and they have told me they like having the chance to work with a partner, to challenge themselves and to have the chance to read books together.

At Roselands, we are still in the process of assessing the children in Year 1 before we start our Daily Supported Reading lessons. Watch this space for more news about Daily Supported Reading!

I am really looking forward to watching your children's reading skills develop and their love of reading grow.

*Mandy Stewart*

## School Life at Roselands and Stafford

You can read more about all our exciting events by looking at our new School Life page on our website. This week's events include The Night Before Christmas - Roselands Theatre Trip. [Click here](#) to view the page.

### ALL SOULS -Stafford Christmas Concerts

The two Stafford concerts were a great success and raised £562.56 through the retiring collection with half going to Fat Fleshed and half to Kingdomway Trust to help with feeding and housing the homeless this winter. A huge thank you to all who attended!

### SCIENCE WEEK: 12<sup>th</sup> to 16<sup>th</sup> March 2018

Can you help with science week? We had some amazing visitors last year and would love to hear from any vets, doctors, nurses, forensics, chemists, inventors and engineers. Do you have any friends or family have these skills?

### CLASS+ : Parent/Carer Coffee and Chat

Parent/Carers of children with ASD/Social communication difficulties, join CLASS+ for coffee, chat and advice- just come along. Check their [website](#) for different venues: 01273 336887.

### Paint for Roselands

Roselands would like donations of fence paint for their courtyard if any parents have any.

## REMINDERS: Winter PE Kits

Please note children will require a winter PE kit and coats until Easter. It's a good idea to also provide a pair of jogging bottoms in the colder months.

# CELEBRATIONS
