

Friday 19th January 2018

Federation Headteacher: Ms Mandy Stewart

Heads of School: Mrs Carol Wallis and Mr Mike Walton

Message from the Headteacher:

Dear Parents and Carers,

Thank you for your generous donations in December to Eastbourne Foodbank. The Roselands and Stafford federation donated 63kg of food and toiletries in total which helped the foodbank make a real difference to those in need of their support. Thank you to everyone who gave so generously.

During the next month, both schools will be taking part in Bag2School which is a free fundraising scheme, established in 1999, for anyone wanting to raise funds using a resource EVERYONE has got in their wardrobe – unwanted clothes.

Bag2School works in partnership with schools, businesses, community groups, local councils and charities to help them raise funds from your donations.

Your child will bring a bag home from school next week, you fill it with unwanted clothes and send it back to school. The bags all get weighed and collected by Bags2Schools and they give each school a cheque. Each kilogram of clothes collected will raise 40p for the schools.

We will send you more information about what can be donated when we send the bags home. Have a relaxing weekend.

Mandy Stewart

School Life at Roselands and Stafford

You can read more about all our exciting events by looking at the School Life page on our website. This week's events are a Space Role Play at Roselands and a Stafford Sports Update - [Click here](#) to view the page

PTFA Mufti Day and Discos

Friday 26th January is a Mufti Day at both schools to raise fund for the library at Roselands and a new stage at Stafford. In exchange for £1, your child may wear their own clothes to school on this day.

Both schools are hosting PTFA discos on Friday 9th February, which will be great fun!

Please return your consent forms and payment by Friday 2nd Feb!

REMINDERS: Water is best!

Children are still bringing juice into school, please make sure it's just water in their bottles.

The British Nutrition Foundation (BNF) gives guidelines for the types of fluid to drink, and water is the only fluid which they recommend drinking "plenty" as it hydrates without calories or risking harm to teeth.

It is advised that children aged 4-13 aim to drink approximately 6-8 glasses of fluid a day in addition to the water included in the food in their diet.
