Your Help is Needed!

Roselands have had a recent injection of colour and greenery, well done to all involved in that! At Stafford there are a number of things which need doing practically to improve the school grounds and give it some colour. We would like to put on a day where anyone who would like to help and is able to use a paint brush or a garden trowel, or even make tea, can come and do so. The date will be decided and then put into the school newsletter and on the website and our social media pages. Please do look out for it and if you have a particular skill you can offer please get in touch!

The Governing Body has Expanded

In recent months the Roselands-Stafford Federation governing body has almost doubled in size! We try and keep our information up-to-date on the website but that has proved difficult with so many new people joining us so here is a short introduction to our newest members:

David Ruskin: works for Eastbourne College. David is our LA Governor.

Nick King: works for East Sussex County Council in ISEND. Nick's daughter has been through both schools in the Federation.

Ruth Holyoake: was the Deputy Head at Motcombe Infant School before retiring and has grandchildren who have been at Roselands and now at Stafford.

Sarah Fowle: probably the most familiar name on this list. Sarah was the SENCo at Roselands until summer 2017.

Anne Allison: recently the Head at Stone Cross Primary School and appointed to us by East Sussex County Council.

Pat Smith: used to be a Head Teacher in Enfield and Hertfordshire.
