**Executive Headteacher** : Ms Mandy Stewart

**Heads of School:** Mrs Carol Wallis and Mr Mike Walton

## Message from the Headteacher:

Dear Parents and Carers,

It was wonderful to see all of our children and staff enjoying ScootFit this week. As a Federation, we are working hard to keep fit and healthy and to promote healthy lifestyles. We hope this encourages your children to scoot to school and to stay active as this also promotes good learning.

ScootFit was a controlled activity on the school playground, with music and ramps, and the ScootFit leader was extremely impressed with the ability and confidence of all our pupils. Well done everyone for taking part. You can have a good rest over the weekend!

## School Life at Roselands and Stafford

You can read more about all our exciting events by looking at the School Life page on our website. This week features ScootFit visits to both schools, Handball Festival at Roselands and author Abi Elphinstone's visit to Stafford - [Click here](#) to view the page.

## Respecting our Neighbours

Both of our schools are in the heart of residential areas and it is important that all pupils, staff and parents help to maintain good relationships with our neighbours. Recently unfortunately, we have received complaints of parents parking across driveways, parking on the pavement and blocking the route for pedestrians and damaging neighbours property. Neighbours have quite rightly challenged parents parking inconsiderately and have received verbal abuse in return in front of other members of our community. We all lead busy lives but it takes nothing to be kind and courteous. Thank you for your support with this.

## Can you help by donating?

Roselands have been very busy gardening! We are now starting a vegetable area, so you're all welcome to donate some veggie seedlings or seeds!

At Stafford, as part of the Stafford fling on May 19<sup>th</sup>, we're looking for any suitable plants which you will be able to drop off at our Plant Bank which will be outside Starlands from next week.

## School Gateway App

Have you downloaded the free *School Gateway* app yet? Please download this new app to your phone (it's free) as it will help us improve communication with you – and save the school money. The set-up process is simple and will take no more than a couple of minutes:

1. Search for "School Gateway" in the Apple App Store/Google Play or on your phone go to [www.schoolgateway.com/apple](http://www.schoolgateway.com/apple) (Apple) or [www.schoolgateway.com/android](http://www.schoolgateway.com/android) (Android)
2. Install the app and if you are asked then say yes to "Allow Push Notifications"

3. When you launch School Gateway for the first time, please select 'New User' and enter the email address and mobile telephone number you have registered with the school

4. The system will send a PIN code to your phone; please enter this PIN code to activate the app.
