Executive Headteacher : Ms Mandy Stewart

Heads of School: Mrs Carol Wallis and Mr Mike Walton

Message from the Headteacher:

Dear Parents and Carers,

Welcome back for Term 6!

Over the next few weeks, we will be inviting you all in for a Parent Briefing to meet your child's new class teacher for next year and to find out more about the routines in their new year group. This is a change from previous years when we held Meet the Teacher meetings in September. Feedback we received from parents and carers was that it would be more useful to have these meetings BEFORE children moved to their new classes so parents were also clear about routines and had met their child's new teacher. We will no longer hold the Meet the Teacher meetings in September.

Please check this newsletter for details of when the meeting is being held for your child's year group.

We have transition activities planned for all pupils so it is not necessary for you to bring your child to this meeting.

We hope to see as many of you as possible.

Mandy Stewart

The sessions are in the morning on the following dates: 1st visit: 14th June; 2nd visit: 21st June; 3rd visit: 28th June. On 3rd July all children across the Federation will have a morning attending their new class. Exciting times ahead!

Holidays and Planned Absences

It is now policy that holidays will not be authorised unless the circumstances are exceptional. Other planned absences which may be

authorised include educational trips and supervised sporting activities. For ALL planned absences please fill in a Withdrawal from Learning form, available from the school office.

Please download the School Gateway App!

We are using email to communicate with you rather than text as we need more parents to download the free School Gateway App to

render the texting service cost-effective. If you haven't done so already, please download the free app to enable the school to improve communications by enabling the text service to you all. Please click [here](#) for instructions on downloading the app.
