Dear Carol,

We would like to say a **big thank you to you Carol and all at the Roselands County Infant School for taking on the Race for Life - Primary Schools 10k 2018** and raising the fantastic amount of **£2121**. We hope you had a brilliant time taking part! It's because of supporters like you that we've got cancer running scared; and we promise to make the most of your donation. Please pass on our warmest thanks onto everyone supported you all and helped raise such a fantastic amount. We really are so grateful for all your hard work, fundraising for Cancer Research UK. It's through donations like this that we are able to continue our vital life-saving research so your donation really is bringing forward the day when all cancers are cured sooner.

Every step we make towards beating cancer relies on every pound, every hour and every person. Right now more and more people are beating cancer because of amazing supporters like you. Without you, we would not be able to make the incredible progress that we are making towards a day when all cancers are cured sooner.

All the money you donated or raised will go directly to fund our life-saving work. We're already making real progress in the fight against cancer:

- Our scientists have contributed to most of the world's top cancer drugs.
- We support around 200 cancer trials, with over 30,000 volunteers taking part to help us develop new and better ways to prevent, diagnose and treat cancer.
- We don't just do research; every year, we help millions of people get the information they need to understand cancer. This includes our Cancer Help UK and Cancer Chat websites.

We couldn't conduct our life saving research without your support and we simply cannot thank you enough for supporting Race for Life and saying cancer, we're coming to get you!

If you have chosen to hear from us, we'll keep you updated about the progress we are making and the ways you can support our work in the future. If you would prefer not to hear from us, and haven't told us this already, you can contact us on 0300 123 1022 or at [supporter.services@cancer.org.uk](mailto:supporter.services@cancer.org.uk) to let us know. If there is anything else we can do for you please call us on the number above or you can visit us at [www.cruk.org](http://www.cruk.org).

Kind regards,

Emma Hyatt
