

Term 2: Level 1 Intra-School Competition Report

This week has been our exciting competitions week at school. All the year groups have taken part in an intra-school competition, either within their own class, against other classes in the year group or in their team colours. Certificates were also awarded in some of the competitions for children who demonstrated the School Games Values of honesty, respect, determination, passion, effort and teamwork. In addition to this, there have been some extra special competitions:

Year 3 'Charlie & the Chocolate Factory' Dance-off!

Year 3 have been working in their classes on a dance this term and on Thursday, they performed them to Mrs Lloyd and the other teachers. They were judged on a range of criteria, including the overall choreography, whether they kept in time to the music and knew their routine, their energy and, most importantly, their smiling faces. All the classes performed brilliantly and we were really impressed with their efforts. The winning class was Rowan with a score of 80 points – well done Rowan! Birch scored 75 points and Elm scored 63 points. Well done Year 3 for all your hard work with your dances.

4 Poplar Gymnastics Routine Competition

4 Poplar were visited by Simon Cowell and David Walliams in their class gymnastics competition! Each group had prepared and practised a sequence that they performed them for points. The winning team consisted of Ava, Felix, Evie, Alfie, Sophie and Bracken – well done!

6 Larch Gymnastics Routine Competition

6 Larch also prepared and demonstrated their own gymnastics routines that were judged by Simon Cowell and David Walliams in their class competition! They were judged on performance, landing and flight, movement, timing, and including the necessary components (headstand, roll, group balance, flight & landing) in their sequence. The winning team consisted of the Candy Cane Crushers: Ruby, Lenny, Evie, Josh, Alfie. Well done!

Albion in the Community Football Competition

On Wednesday morning, the children from Starlands (and a few others) all took part in a fun football competition where they competed for their own personal achievement points. They were awarded points for being on a winning team (which changed every match) and for fabulous effort and attitude towards the game and others playing. All the children did brilliantly and it was excellent to see them working well with each other.
