Executive Headteacher: John Maxwell

Heads of School: Carol Wallis and Mike Walton

Message from the Executive Headteacher:

Dear Parents and Carers,

Welcome back! We hope that you all had an enjoyable half term break and are looking forward to the new term.

Next week is going to be very exciting as it's our I Love Reading Week where we celebrate reading in all its forms.

Of all the skills we teach at school, reading is probably the most important and most useful as it gives us access to so much knowledge and information. We want everyone to read to the best of their ability, and we hope to develop a love of reading in all members of our community.

Please look out for information about I Love Reading Week, we would like to encourage and support all of you to participate.

John Maxwell

Reading Week Activities

World Book Day, on 7th March, is fast approaching and we would like as many children to dress up as their favourite book character.

A programme of events for **Reading Week** will be sent home during the week commencing Monday 25th February.

This will outline the exciting events we have planned across both schools.

You won't want to miss it and we look forward to you and your family joining us!

East Sussex County Council – Term Date Consultation. *Have your say!*

East Sussex County Council is consulting on a draft proposal for school term dates for the academic year 2020-2021. The Council would like to hear the views of schools, parents/carers and other interested parties on the proposed dates before they are finalised and published.

The consultation will be open from **Wednesday 13 February** until **Tuesday 19 March 2019** and comments should be submitted by this date.

The consultation is available on the Council's [Consultation Hub](#) or can be viewed by using the following link <https://consultation.eastsussex.gov.uk/>

Open for parents—New Workshop

We are delighted to be able to announce our third cross federation parent workshop at Stafford, run by Open for Parents, on Monday 11th March between 9:00am-10:30am. The focus of the workshop will be:

'Creating a family environment that is loving, supportive and predictable.'

If you would like to attend this workshop, please call the School Office by Thursday 7th March 2019. Please note, we have been advised that children will not be able to attend these workshops. Following the positive feedback we have received, we hope to continue to run further workshops throughout this academic year. If you would like to see their parenting website, it is: <https://www.openforparents.org.uk/>

On Wednesday 13th February, Year 5 presented their dances to the Cover Supervisors who judged them on a range of criteria, such as their choreography, keeping in time with the music and the energy they put into their dances.

The dances were all based on the theme of taking a test or exam and the children all entertained each other with enthusiasm!

The winning class was **5 Oak** - well done!

Pirate Antics in Year 1

Year One had a brilliant time celebrating their topic of Pirates by performing an assembly to the school and parents this week. Year One enjoyed singing a sea shanty, learning a pirate dance and shared facts that they have learnt. Thank you for the excellent pirate costumes on display! ARRGH!
