### Message from the Executive Headteacher:

Dear Parents and Carers,

As the end of term 4 approaches, we say farewell to Anne Nuttall, Teaching Assistant at Roselands, Izzy Brett, Apprentice Teaching Assistant at Stafford and Viv Wiltshire, MDSA at Stafford. We thank them all for their hard work and commitment to the Federation and wish them all well in their next adventures.

John Maxwell

Mrs Russell in Dolphins Class will be starting her maternity leave on Monday 13th May. Her last day in school will be on Friday 10th May. We will inform parents after the holiday who will cover her class. There will also be an opportunity for you and your children to meet Mrs Russell's maternity cover before she leaves and to ask any questions. Mrs Russell will be writing the annual reports for her class to and there will be a handover period for the class. Lastly, thank you to Stafford parents who helped to tidy the grounds today.

Happy Easter to all our families. Thank you for your continued support.

### SPRING SHOWS AT ROSELANDS

Well done to all the children at Roselands for making such amazing Spring Bonnets and to all of our families for joining in with the home/school challenge. We hope you enjoyed the shows and no doubt you will be singing the songs throughout the Easter break! Each show was recorded and will be available on the school website after the holiday. If you would like to send in a donation for this the PTFA would be very grateful. Codes will be available after the holiday. The PTFA are planning to buy some picnic tables and parasols for the playground ready for the summer term.

It was really hard to choose our Spring Bonnet winners as everyone had put in so much effort. Thank you again.

**Winners EYFS — Ioannis, Jasmine J and Corey**

**Winners Year 1 — Milo, Emilia and Joe C**

### 50 THINGS TO DO BEFORE YOU ARE FIVE

East Sussex Early Years Team are launching a new project called 50 Things to do before you are five. This project has a range of simple, fun, low-cost or no-cost ideas that parents and carers can do with their children. Mrs Harrison is working with the Early Years Team to help launch this project. It is set up on a simple app, which you can download on your smart phone. Through the app you can access all the ideas which are based in the local area, you are able to tick them off as you do them with your children and you can make your own memory book. You can get involved by downloading the app and the 50 Things Facebook page, the links will be put on school Facebook page and website. Mrs Harrison is looking to speak to families that are interested in getting involved to get their feedback on the app and the activities. If you are interested in doing this, speak to your class teacher or Mrs Harrison.

### ROSELANDS EASTER FAIR

A big thank you to the Roselands PTFA for all their hard work with the Easter Fair and to all our families for coming along to support this event. The sun was shining and everyone had fun finding clues on the Easter Trail, meeting the Easter Bunny and playing lots of games. Mrs Springett's craft stall was popular too! The Fair raised an amazing £1361.84 and all funds raised help to enrich the school curriculum. Most recently the PTFA paid for EYFS to have an incubator with chick eggs inside. These have recently hatched and we have five healthy chicks. They will be joining some more chick friends at Blackberry Farm on Saturday. The PTFA have some more fun events coming up in the summer term so look out for their newsletter after the holiday.

Please remind your children to scooter safely on the way to and from school. Some of the older children are travelling far too quickly and a Roselands pupil was knocked down this week!
