Executive Headteacher: John Maxwell

Heads of School: Carol Wallis and Mike Walton

Message from the Executive Headteacher:

We are really keen to work in partnership with our parents, carers and families. The children love it - and achieve better - when they know that we are working together to support their learning. I really enjoy chatting to the parents at both schools in the mornings on the gates, and have really appreciated the kind welcome so many of you have given me. I know the rest of the staff appreciate your support too.

Sometimes, we know that it can be really upsetting if you believe your child has been upset, or wronged in some way. If you do feel that way, we would encourage you to be *'curious, not furious'*. Together, we need to find out what actually happened, and if it could have been prevented or handled better. We also want to make sure that we have all the facts, as there are often two (or more!) sides to a story.

As a staff, we are always keen to be the best that we can be, and know that you trust us with the most precious things in your lives when you leave your children with us in the mornings. If a system or policy has not worked as well as we would have hoped, we want to ensure that it works better in future. This happens best when the communication between us is kind, polite and respectful. Thank you for your ongoing support.
